

**Mid-season waxflower with blooms that mature into a beautiful pink display**

- Rosaline is a rounded shrub with waxy flowers.
- Flowers from mid spring, with flowers that are initially white, and quickly mature into a lovely pink.
- Popular as a landscaping variety and as a pot plant for a splash of colour and textural interest.
- It attracts native birds and pollinators.
- Will tolerate a range of free-draining soils, and thrives in full sun or semi-shade.
